

CURRICULUM VITAE (SHORT)

DIMITAR DIMITROV

CONTACT

email: mail.mitko@gmail.com
url: drdv.github.io
address: Grenoble, France

PERSONAL DATA

Born in Sofia on November 20th, 1975
Nationality: Bulgarian

LANGUAGES

Bulgarian (native)
English (fluent)
Japanese (conversational)
Russian (basic)
French (beginner)

EDUCATION

1994.09 - 2001.09	Technical University (Sofia, Bulgaria) Faculty of Automatics Degree: M.Sc. in robotics (1999.09) B.A. in electrical engineering (1997.09) Advisor: Prof. Veselin Pavlov (M.Sc. thesis)
2002.04 - 2003.03	Hirosaki University (Hirosaki, Japan) Department of Intelligent Machines and System Engineering Advisor: Prof. Dragomir Nenchev
2003.04 - 2006.03	Tohoku University (Sendai, Japan) Department of Aerospace Engineering Space Robotics Laboratory Degree: Ph.D. in aerospace engineering Advisor: Prof. Kazuya Yoshida Dissertation: Dynamics and control of space manipulators during a satellite capturing operation

RESEARCH EXPERIENCE

2006.12 - 2007.12	INRIA Rhône – Alpes (Grenoble, France) BIPOP team
2007.12 - 2012.09	Örebro University (Örebro, Sweden) MR&O laboratory
2012.10 - 2015.12	INRIA Rhône – Alpes (Grenoble, France) BIPOP team

PROFESSIONAL EXPERIENCE

2021.03 - 2024.05	Kelkoo (Grenoble, France) senior data scientist
2017.09 - 2021.03	Probayes (Grenoble, France) data scientist/software engineer

SOFTWARE DEVELOPMENT

- **Platforms:** Linux, Windows (limited experience), macOS (not really for development)
- **Languages:** Python (advanced), C++ (advanced), Scala/Spark (intermediate), Lisp (intermediate), Rust (beginner), several domain-specific languages *e.g.*, Matlab/Octave (advanced) and various other *e.g.*, Bash, Make, ...
- I have a very good exposure to algorithms and datastructures
